# **TRUSTTEC**<sup>®</sup>

**TRUSTTEC**<sup>®</sup> is offering a large range of spare parts for Commercial Vehicles, Passenger Cars and Tractors. Our 8 group companies with state of the art **ISO 9001-2015 & IATF 16949:2016** Certified manufacturing facilities producing for Trusttec & major OEM,s in India & abroad.

The brand, which was established in 2006, is backed by experience of over 6 decades in the automotive spare parts industry.

Due to our relentless dedication to quality, we have seen continuous growth of the brand ever since its launch.

Currently **TRUSTTEC**<sup>®</sup> is selling successfully in Germany, Saudi Arabia, Iran, Egypt, Tanzania, UAE, Sri Lanka, Iraq, Serbia, Slovenia, Croatia, Brazil, Chile, Jordan, Syria, Turkey, Kenya, Yemen, Libya, Botswana, Nigeria, South Africa, Canada and USA.

**TRUSTTEC**<sup>®</sup> offers a huge range of parts developed for Commercial Vehicles especially Mercedes, Scania, Volvo, as well as Tractors like Massey Ferguson, IMR/IMT, Romania Nissan, Mazda, Toyota, GM & Ford Cars/LCV, s/SUVs. Similar efforts are being undertaken to develop a range of MAN, DAF & Eaton spares.

We are dedicated to providing high quality products and defect free shipments. We strive to maintain high quality standards right from development stage, through the entire production process and finally to the most important part of packaging and presentation.

The **Quality Systems** that we follow are "quality assurance" which is the prevention of defects, by the deployment of a quality management system and preventative activities. The other is "quality control" which is the detection of defects, most commonly associated with testing which takes place within our quality management system involving verification and validation.

We believe that quality is accomplished by better management of design, engineering, testing and by improvement of processes.
